Form 990, Part I, Line 1 - Organization Mission or Significant Activities

Social Venture Partners Seattle (SVP) envisions our region flourishing, with everyone thriving regardless of race or income. However, systemic barriers and inequitable allocation of resources are limiting our fellow community members ability to achieve their potential. SVP seeks to foster a philanthropic and nonprofit sector that has the strength and resources to address systemic issues related to racial equity in SVP's core issue areas by (1) building a community of engaged and educated philanthropists who understand their role in creating an equitable community, helping them make the greatest impact with their philanthropic giving; (2) building the capacity of the leaders and organizations doing the hard work of addressing systemic issues; and (3) increasing collaboration - doing more together than we can do alone while leveraging best practices and sharing power.

Partners are at the core of SVP. They join by making a minimum annual contribution of \$6,000 (\$2,500 for individuals under 36 years of age). These and other contributed funds are pooled and used to make grants to local nonprofit organizations, and to support SVP's capacity building, collective action, and philanthropy development programs. For the year ended September 30, 2019, grantmaking and capacity building partnerships were focused on achieving better outcomes in early learning, education, and environmental justice.
