| 1 | I    | 2           | Social Venture Partners make initial single-year grants with the intent of establishing longer term partnerships with its investees. At the end of the first year of funding, and each subsequent year approved, the grant outcomes and relationship potential with each investee are evaluated to determine further support. Performance reports are submitted at pre-determined intervals during the term of the grant to assess progress. Committees are held to decide on which organizations receive grants, and the amount of the grants. |
